MANCHESTER STREET INTERSECTION IMPROVEMENTS

Final paving and striping has been completed and the signalized Manchester Street/Airport Road/Integra Drive intersection is in full operation. Miscellaneous cleanup will occur next week, to include minor work on drainage structures on Airport and Broken Bridge Roads. Minor traffic delays are anticipated.

ROUTE 3 / NORTH STATE STREET CORRIDOR IMPROVEMENTS

Next week, the contractor will commence replacement of the existing storm sewer in North State Street, from Palm Street to McGuire Street. Travel will be restricted to a single lane during hours of operation, typically 7:00 AM to 5:30 PM. Delays are to be expected. As always, we encourage the public to seek an alternate route when feasible.

ROAD PAVING

This year's road paving project was awarded to the low bidder, Continental Paving, and they will begin next week on North Spring Street. They will be reclaiming the section from Pleasant Street to School Street, resetting curb and rebuilding sidewalks. No on-street parking will be allowed in this area, between 7:00 AM and 7:00 PM, for the next several weeks while the contractor is working.

TREE PLANTING ON NORTH STATE STREET

The General Services Department and the Planning Division recently worked together to plant some trees along North State Street, near Sewalls Falls Road. The Planning Division purchased the trees and General Services Department staff planted them.

NEWS FROM THE BEAV'

In preparation for the LPGA Symetra Northeast Delta Dental International Golf Tournament, which will take place at Beaver Meadow on July 20-22, LPGA Agronomist John Miller made a site visit to Beaver Meadow on June 9th. He was pleased to find all areas of concern for the LPGA had been addressed. He also offered tips and techniques for continuing improvement to the course. For more information about the tournament, visit www.symetragolf.nedelta.com.

In other news… Paul Knudsen, of Milford, NH, recently made the first hole-in-one of the season at Beaver Meadow, using an 8-iron on the 130 yard 13th hole. Congratulations Paul!

SUMMER AT THE PARKS & REC DEPT.

City pools will open for the season tomorrow at 12:30 PM. For more information about pools, visit www.concordnh.gov/recreation.

Summer camps begin on Monday. There are already 920 children registered, a 17% increase over this same time last year. There are still openings in some camps.
