### **INFORMATION MEETINGS: LANGLEY PARKWAY PHASE 3**

The Engineering Services Division will hold three public information meetings on the ongoing Langley Parkway Phase 3 Study. Phase 3 is the final segment of the Langley Parkway corridor, which will extend from Pleasant Street, through the regional medical campus and northward to the intersection of North State Street, Bouton Street and Penacook Street. The purpose of these meetings is to share the findings of the conceptual corridor study, including potential corridor and intersection layouts and alternatives, and to seek feedback from the public. Public input is an important component of this study and will be reflected in the final report to City Council. Scheduled meetings are as follows:

Tuesday, October 8, 2013 @ 6:00 PM

Bishop Brady High School Library, 25 Columbus Avenue

**Focus: Auburn Street neighborhood**

Thursday, October 10, 2013 @ 6:00 PM

Bishop Brady High School Library, 25 Columbus Avenue

**Focus: Penacook Street area neighborhood (east of water tank)**

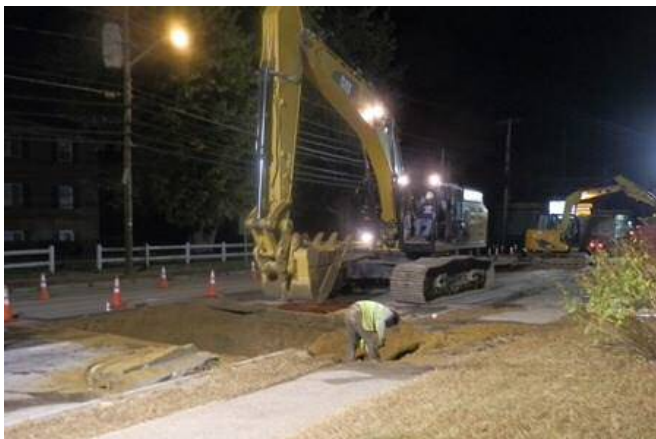

Thursday, November 21, 2013 @ 6:00 PM

City Council Chambers, 37 Green Street

**Focus: Overall project presentation**

### **LOUDON ROAD WATER MAIN REPLACEMENT**

On Monday and Tuesday, October 7th and 8th, new water hydrants will be installed at the entrance drive to the Morning Star apartment complex and the Immaculate Heart of Mary Church. The rest of the week will focus on relaying water services in the vicinity of Allard Street.

### **ROUTE 3 CORRIDOR IMPROVEMENTS**

Next week, the contractor will be paving driveway entrances between Penacook Street and Abbottville Road. Minor localized traffic delays are anticipated.

### **ABSENTEE BALLOTS**

Absentee ballots for the November 5th Municipal Election are now available from the City Clerk's Office. Residents who are unable to vote at the polls on Election Day, due to absence from town or physical disability, may request an absentee ballot. You must be registered to vote prior to casting an absentee ballot. For more information, contact the City Clerk's Office at 225-8500 or send an e-mail to [cityclerk@concordnh.gov](mailto:cityclerk@concordnh.gov).

### AIRPORT TERMINAL REPAIRS

Staff of the Public Properties Division of the General Services Department recently addressed the issue of water infiltration into the basement of the Airport Terminal Building with innovation and resourcefulness. With salvaged plexi-glass from the Everett Arena, and lots of enthusiasm, Bob Knapp and Bruce Drapeau remedied a recurring maintenance problem.

### CONCORD FIRE MARSHAL DEPLOYED TO COLORADO FLOODS

Concord Fire Marshal Sean Brown was recently deployed to Colorado as part of Massachusetts Task Force One, a federal Urban Search and Rescue Team based in Beverly, Massachusetts. Chief Brown spent 10 days performing search and rescue operations as a logistics specialist. The federal government reimburses local communities for all costs associated with the use of employees for these types of emergencies.

### GATHER, PAUSE AND REMEMBER

In observance of *National Infant Loss Day*, on *Sunday, October 13th, at 10:00 AM*, Friends of Blossom Hill Cemetery invite those who have experienced any type of infant loss, recent or not so recent, to gather with others at Blossom Hill Cemetery's Infant Loss Memorial. A time of reflection, music and daffodil planting will be followed by light refreshments and sharing in Perkins Chapel. Participants may bring a personal memento (a picture, ultrasound photo, symbol, etc.) for the Table of Remembrance. For more information, call Jill at the Cemetery Office at 225-3911.

### FALL LEAF CLEAN-UP

The General Services Department will start its fall leaf clean-up program on Monday, October 28th. Stay tuned for more information!
