

**Pay-As-You-Throw (PAYT) Trash Bags**

You need to purchase purple PAYT (Pay-As-You-Throw) bags if you set your trash out for curbside collection. Use them the same way you use any other trash bag and set them out for collection day.

There is no limit on how many PAYT bags you can put out to the curb each week for collection. A sticker will be placed on any other bags that are not PAYT bags to inform you that it will not be picked up and that trash must be in a Concord authorized purple PAYT bags. The PAYT bag program is designed to offset the cost of trash collection and disposal. You only pay for what you throw away in the purple bag! Remember, there is no charge for recycling! Control the costs of your trash disposal by recycling more and taking up less space in your PAYT bag. Recycle and save! Two sizes are available: 30 gallon bags (\$2.00) that hold up to 20lbs. and 15 gallon bags (\$1.00) that hold up to 10lbs. Both are sold in bundles of five bags.

You do not need to purchase these bags for trash disposal if you do not put your trash out to the curb.
